Notes:

1. Flight Lesson 9 and Flight Lesson 10 (Flight Review and Instrument Competency Check respectively) are optional and not required for the transition course (See syllabus). To obtain Flight Review and/or Instrument Competency Check signoff(s), Cirrus Transition Course completion is a prerequisite.
2. Cost is based on syllabus and considered as a guide. Actual cost will vary student to student and is dependent upon many factors. See an instructor or our online FAQs at www.flylftc.com for details.
3. The minimum dual requirement in aircraft make and model is 10.0 hours. This course contains 14.5 hours of dual instruction. If all course requirements are met, it is possible to complete the course in less flight time, thereby decreasing the total course cost.
4. A headset and appropriate navigation charts are required for this course.
5. Prices do not include applicable Ohio Sales tax (6.5%), City of Cincinnati tax (1%).
6. Aircraft rental prices INCLUDE fuel. Aircraft rates and instruction rates are subject to change without notice.
7. Fuel purchased by student at other than Lunken Airport will be credited at posted rates.
8. Prices do not include aircraft fees at other airports, if applicable. See an instructor for details.
